The TSMS Code of Conduct Rules that apply during the school day will be applied to Before School Program. A signed Discipline/Behavior Contract must be signed and returned prior to the child enrolling in the Program.

Minor violations in the Before School Program will be handled by the issuance of Conduct Points. Students' violations will be recorded by the teachers or other staff by the help of a computerized Conduct Log system. Parents and students will have online access to the recorded information at TSMS Connect.

Major violations of the student code of conduct result in a Disciplinary Referral Form. The Disciplinary Referral Forms are investigated, and consequences are assigned by an administrator. Parents are notified of the consequences by either phone call, notice letter sent by student, or email. Assignments of consequences are progressive.

Students may be denied Before School Program privileges when behavior is inappropriate. Staying in Before School Program is a privilege. Students who wish to enjoy this privilege must abide by the above rules and regulations in order to ensure safe and orderly conduct. Students receiving four or more Before School Program conduct reports or students who engage in severe Before School Program misconduct, may be suspended from the program for 1 to 10 days, or may lose the program privileges for the remainder of the school year. Parents will be notified of Before School Program violations. Any subsequent written referrals may be treated at the next higher level, regardless of the nature of the offense.
